**STATE BOARD'S  
ELEVENTH MONTHLY REPORT**

This is the State Board of Tax Commissioners' eleventh monthly report under the Court's order dated May 31,2000,729 N.E.2d 242,247. The report explains the State Board's activities during April 2001 to implement the Court's order. An outline of these activities is included as Exhibit A.

*Overall Schedule*

The State Board's First Monthly Report contained a proposed schedule for adopting a new assessment rule consistent with the Court's order. The Board's activities during April 2001 are in accordance with that schedule, and the State Board expects to maintain that schedule and meet the deadlines within it.

*Work with Assessors*

The State Board's Assessment Division field representatives are actually meeting with local assessing officials to determine the progress as set out in Exhibit

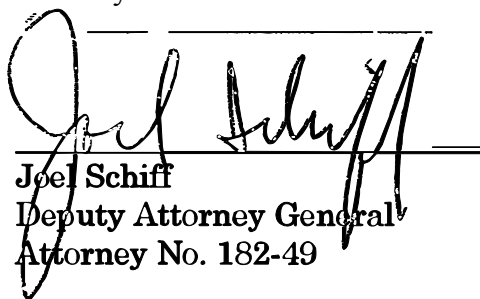

A. The actual survey is attached as Exhibit B.

*Statutory Issues*

In the First Monthly Report, the State Board identified statutes with which it will be unable to comply under the timetable for promulgating a new assessment rule. During April 2001, the State Board has identified no additional provisions with which it will be unable to comply.

Respectfully submitted,

STEVE CARTER  
Attorney General
